Healing The Hearts Of Haiti

Deuteronomy 15:10-11 (NLT2) Give generously to the poor, not grudgingly, for the LORD your God will bless you in everything you do. There will always be some in the land who are poor. That is why I am commanding you to share freely with the poor and with other Israelites in need.

Foreign Mission Ministry

Dear Friends, Family and Fellow Workers,

Blessings and Peace Be Upon You in the Miraculous Name of Jesus Christ.

Our mission and vision for Cap Haitian, Haiti is being fulfilled as we speak. With the help of The Almighty God, we see new pews in the Bethel Baptist Church and the near completion of an inside bathroom.

God has been such a blessing to this small community of people who chose to put their faith and trust in Him. I am told more Haitians are attending service and bringing their families in spite of the political unrest. We are praising God for continued growth in the Bethel Baptist Church.

Rosemene Jean's home.

We are proud to announce that Rosemene Jean's home has been completed. A work that took up to two years to complete. Our God has seen this amputee woman and her sons through difficult times. They are now safe within the walls of their own home which will also be a beacon of light for Jesus in her neighborhood, as Rosemene will be able to host Bible studies.

Bethel Baptist School in Cap Haitian, Haiti, opened its doors to the children of the community in August 2019. Although, the school is open not many children are attending, due to the political unrest in the nation. Because of this, Pastor Yousvel has indicated that the community security has not permitted the children to attend for safety reasons. We know through prayer God can change anything and do all things but fail.

The children in attendance are engaged in the curriculum. Teachers are not concerned about the size of the class, they are more interested in the ability of the student. Their tenacity and courage is remarkable as they pursue education among all the unrest in their nation. Help us pray that God will give them rest. Then we will see a harvest of children and souls being saved, as they rely on Jesus to fulfil their needs.

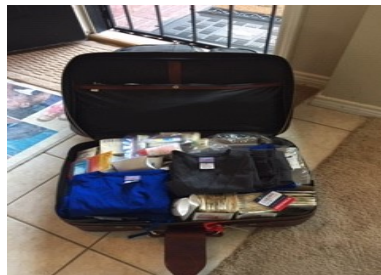

Testimony Time: Great Commission Baptist Church under the leadership of Dr. Douglas E. Brown, declared that monies raised during the twenty one nights of prayer would be donated to the Foreign Mission Ministry to accommodate the 2020 goals in Cap Haitian, Haiti. As a result, a total of \$2,700.00 was raised for the ministry. Hats off to Dr. Douglas E. Brown for the wisdom and vision God has given him.

Testimony Time: Larry and Glendoria Boyd raised a total of \$850.00 for the Foreign Mission Ministry through their participation in a “Thanks For Giving” promotion sponsored by Saladmaster’s Food Saved Me distributorship.

Missionary Corner:

Ophrie Gaines and Charlett Benson contributed to the Baptist Hospital by donating hospital uniforms, X-Ray equipment and gauzes for medical care. They are currently collecting other items for the hospital and monetary donations are certainly welcomed. We are praying to get our maternity mothers up off the floors and into beds.

Prison Needs:

Prisons in Haiti are not like prison in America. Women are placed in these facilities in many cases for defending themselves from vicious domestic attacks. Men are given long term sentences because they owe a debt. Lets remember to pray for our brothers and sisters because they leave behind children who desperately need them. Let’s help them with tangible gifts to provide a hope for them in Jesus.
